What is The Huntsman Olympics?

Since our inception, Sigma Chis have endeavored to give back to our world. The Huntsman Olympics is Theta Zeta's unique take on this Fraternal tradition. Through a week long series of fundraising events driven by the spirit of philanthropy and excited with a little friendly competition, registered teams who have donated to our cause compete to take home the glory of Olympic Gold.

Our Cause: The Huntsman Cancer Foundation

The Huntsman Cancer Foundation (HCF) is a non-profit charity dedicated to fundraising for the Huntsman Cancer Institute (HCI). It is thanks to the generosity of HCF's supporters that the HCI can continue to focus on finding a cure for cancer, while also treating those afflicted with the disease using state-of-the-art medical practices:

Hope through Research: Their scientists focus on understanding cancer from its beginnings to create safer, more effective treatments. Researchers also study how genes function to look for ways to prevent or even reverse genetic changes that cause cancer.

Hope through Education: They provide free, expert and accurate information about cancers, risk factors, screening, prevention, and treatments to patients, family members, caregivers, physicians, and the public.

Hope through Patient Care: Their teams of doctors and health care professionals work together to provide compassionate, state-of-the-art care.

Event Descriptions

Tag a Sig

Teams will be on the lookout for Sigma Chi wearing a special shirt revealed the day before. If you spot them, write your team's name on their shirt! A selfie posted to social media gets additional points.

Scavenger Hunt

Easter eggs are stashed across the BSU campus and surrounding area. Follow the clues to find as many as you can!

Buyback Dodgeball

As a variation on the popular sport, teams will square off and compete to claim victory on the dodgeball court. In the Olympics' spirit of giving, however, teams will keep the donations—and the fun—coming as they buy back into the competition.

Bake-off

Provided with a baking pan, cake batter, and twenty-four hours, teams will go head-to-head to see who can deliver the most decadent confectionery creation.

Trivia Night

Teams will show what they know in categories including Pop Culture, Sports, and more.

Wing Eating Contest

Teams will stretch their appetites to their ends as they scarf down on the mouthwatering wings served by local hotspot *The Riviera*.

Car Smash

Bing your desire for destruction! Participants will turn a car into an unrecognizable junk heap with sledgehammers, crowbars, and more!
